ANNUAL PROGRESS REPORT**

JOB TITLE: Motorboat Access - Region 1 ___
PROJECT NUMBER: F-77-B-8 _____
PROJECT LEADER: Paul Hanna _____
ASSISTANTS: Pat Cole _____
Tom Fulton _____
John Nigh _____
PROJECT PERIOD: July 1, 1992 to June 30, 1993

Need:

The Department has acquired by fee title or easement access to public waters. Some of the properties have been developed to provide for boat launching, parking, and camping. Restrooms have been installed at some areas. These public access areas need to be developed or improved and maintained. Some improvements are in need of replacement or repair. Many of the facilities are not accessible to the disabled and have to be upgraded.

Objective:

To provide for operation, maintenance, development, renovation, improved access, or safer access to public waters for boating recreation.

Expected Results and Benefits:

Increased effort on maintenance, repair, and renovation will result in cleaner, safer public access areas. Improved and additional facilities will allow more people and boats access to public waters for boating, fishing, or other recreational activities. Improved facilities will allow greater use by disabled individuals.

Approach:

Operate and maintain 25 public access areas in Region 1.

Location:

1. Improvements and Renovation

Purchase or construct new boat docks or piers. Construct or renovate boat launching ramps. Construct parking areas. Install new restrooms or vault toilets. Construct new camping spaces with tables and fire pits. Modify existing facilities to make them accessible to the disabled.

Boating access areas were improved or renovated as follows:

| Site | County | Improvements | Estimated Costs |
|---------------------------|----------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------|
| Chase Lake | Bonner | Received State of Idaho encroachment permit. Installed two new cedar float log docks. | \$5,000 |
| Cocolalla Lake | Bonner | Added concrete blocks to extend boat ramp. | 300 |
| Garfield Bay | Bonner | Replace four dock to piling connectors (loops). Repair dock ramp. | 300 |
| Pringle Park, East Hope | Bonner | Received State of Idaho/COE encroachment permits. Installed four new docks. Discarded old docks. | 4,000 |
| Rose Lake | Kootenai | Received State of Idaho encroachment permit. Installed 2,500 lb dock anchor. Added concrete blocks to extend boat ramp. Modify outdoor toilet to meet handicapped accessible guidelines - add unloading ramp and sidewalk. Grade and gravel approach from access road. Install car curbs. Remove two outdoor toilets no longer used. | 6,000 |
| Rose Lake - Watson's Road | Kootenai | Received State of Idaho encroachment permit. Installed 2,500 lb dock anchor. Added concrete blocks to extend boat ramp. Modify outdoor toilet to meet handicapped accessible guidelines - add retaining wall, unloading ramp, and sidewalk. Enlarge parking area and add gravel fill. | 5,000 |

| Site | County | Improvements | Estimated Costs |
|-------------|----------|-----------------------------------------------------------------------------------------|-----------------|
| Spirit Lake | Kootenai | Received State of Idaho encroachment permit. Added concrete blocks to extend boat ramp. | \$ 300 |
| •Twin Lakes | Kootenai | Pour solid concrete ramp to replace precast concrete ramp blocks. | 1,500 |

2. Maintenance

Repairs and upkeep to include cleaning toilets; controlling weeds; removal of refuse; pumping toilet vaults; replacement of damaged facilities such as toilets, concrete boat ramps, signs, and parking barriers; rebuild boat docks; paint facilities; and other repairs deemed necessary. Monitor public use.

Boating access areas were maintained or repaired as follows:

| Site | County | Activity | Estimated Costs |
|-------------------------------------|---------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------|
| Round Lake | Benewah | Routine maintenance. | \$ 100 |
| St. Maries River (townsite) | Benewah | Routine maintenance. | 100 |
| Chase Lake | Bonner | Routine maintenance. | 400 |
| Cocolalla Lake | Bonner | Routine maintenance. Collected water samples for public health testing. Remove docks and access ramp to prevent ice damage (11/92); put docks back in the lake (4/93). Cut up dead trees and burn slash. Provide scheduled garbage pickup. | 2,000 |
| Farragut St. Park-Pend Oreille Lake | Bonner | Routine maintenance. | 100 |

| Site | County | Activity | Estimated Costs |
|----------------------------------------------|----------|-----------------------------------------------------------------------------------------------------------------------|-----------------|
| Garfield Bay | Bonner | Routine maintenance. | \$ 100 |
| " Hoodoo Creek | Bonner | Routine maintenance. | 100 |
| "Johnson Creek - Clark Fork River | Bonner | Routine maintenance. Pump vault toilet. Provide scheduled garbage pickup. | 1,000 |
| **Morton Slough | Bonner | Routine maintenance. Pump vault toilet. Provide scheduled garbage pickup. Provide portable picnic tables. | 500 |
| • Pack River at Pend Oreille Lake | Bonner | Routine maintenance. | 300 |
| Pringle Park, East Hope | Bonner | Routine maintenance. | 400 |
| McArthur Lake | Boundary | Routine maintenance. Provide portable picnic tables. | 500 |
| Bull Run Lake | Kootenai | Routine maintenance. | 400 |
| Coeur d'Alene River- Anderson Lake Outlet | Kootenai | Routine maintenance. | 100 |
| Coeur d'Alene River- Medimont | Kootenai | Routine maintenance. | 100 |
| Coeur d'Alene River- Thompson Lake Outlet | Kootenai | Routine maintenance. | 100 |
| Hauser Lake | Kootenai | Routine maintenance. | 100 |
| Loffs Bay on Coeur d'Alene Lake | Kootenai | Routine maintenance. | 100 |
| Mica Bay on Coeur d'Alene Lake | Kootenai | Routine maintenance. | 100 |

| Site | County | Activity | Estimated Costs |
|---------------------------------------|----------|-----------------------------------------------------------------------------------------------------------------------------------------------------|-----------------|
| Rockford Bay on Coeur d'Alene Lake | Kootenai | Routine maintenance. | \$ 100 |
| Rose Lake | Kootenai | Routine maintenance. Pump vault toilet. | 400 |
| Rose Lake- Watson's Road | Kootenai | Routine maintenance. Pump vault toilet. | 400 |
| Spirit Lake | Kootenai | Routine maintenance. Pump vault toilets. Provide scheduled garbage pickup. | 800 |
| Sportsmen's Park- Hayden Lake | Kootenai | Routine maintenance. Collected monthly water samples for public health testing. Pump vault toilet. Provide scheduled garbage pickup. | 2,000 |
| Twin Lakes | Kootenai | Routine maintenance. Drop and remove danger trees from parking lot. Pump vault toilets. | 600 |

SUMMARY OF COSTS:

| | |
|-----------------------|-----------------|
| Salaries and wages | \$27,600 |
| Operations | 10,500 |
| Capital improvement** | <u>22,400</u> |
| Total estimated costs | <u>\$60,500</u> |

* Includes cooperative funding.

**Albeni Falls Project Licensed Lands (COE).

**FEDERAL AID IN FISH RESTORATION
ANNUAL PROGRESS REPORT**

JOB TITLE: Motorboat Access - Region 2
PROJECT NUMBER: F-77-B-8
PROJECT LEADER: Gary R. (Sam) McNeill
ASSISTANT: Tim Morin
PROJECT PERIOD: July 1, 1992 to June 30, 1993

This project operated and maintained 30 public access areas in Region 2.

1. Improvements and Renovations

Improvements include purchase or construction of new boat docks; renovating boat launching ramps; constructing parking areas; installing new vault toilets; and constructing new camping spaces with tables and fire rings.

Fishing access areas were improved or renovated as follows:

| Site | County | Improvements | Estimated Costs |
|------------------------------|-----------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------|
| Soldiers Meadow | Nez Perce | Installed one handi-capped accessible toilet; concrete approach pad; sidewalk for wheelchair ramp to boat dock. Constructed anchor for boat dock; installed two more sections of boat dock. Removed two old toilets and filled in vaults. | \$ 3,600 |
| Salmon River at Twin Bridges | Idaho | Installed toilet with handicapped access pad, dumpster pad, signboard. | 1,800 |
| Waha Lake | Nez Perce | Extended boat ramp 32 ft. Installed six fire rings and two barbecues. Installed a handicapped-accessible toilet and concrete approach pad to toilet; sidewalk for wheelchair access to two picnic tables. Placed boulders around parking areas. Leveled new parking area. | 4,000 |

| Site | County | Improvements | Estimated Costs |
|--------------------------------------|-----------|---------------------------------------|-----------------|
| Clearwater River at Lenore | Nez Perce | Extended boat ramp 12 ft. | \$ 500 |
| Clearwater River at Gibbs Eddy | Nez Perce | Extended double-wide boat ramp 12 ft. | 1,000 |
| Clearwater River at Upper Hog Island | Nez Perce | Extended boat ramp 12 ft. | 500 |

2. Maintenance

Routine maintenance, repairs and upkeep included cleaning toilets; controlling weeds in parking and camping areas; removal of refuse; pumping of toilet vaults; replacement of damaged facilities such as toilets, concrete boat logs, signs, parking barriers, rebuild boat docks; paint facilities; and other repairs deemed necessary. Monitor public use.

Boating access areas were maintained or repaired as follows:

| Site | County | Activity | Estimated Costs |
|--------------------|------------|---------------------|-----------------|
| CLEARWATER RIVER | | | |
| North Lewiston | Nez Perce | Routine maintenance | \$ 100 |
| Lower Hog Island | Nez Perce | Routine maintenance | 100 |
| Upper Hog Island | Nez Perce | Routine maintenance | 200 |
| Beardy Gulch | Nez Perce | Routine maintenance | 100 |
| Gibbs Eddy | Nez Perce | Routine maintenance | 200 |
| Myrtle | Nez Perce | Routine maintenance | 3,000 |
| Cherry Lane | Nez Perce | Routine maintenance | 200 |
| Big Eddy MP27 | Nez Perce | Routine maintenance | 100 |
| Lenore | Nez Perce | Routine maintenance | 200 |
| McGill Hole | Clearwater | Routine maintenance | 100 |
| McGill Spur | Clearwater | Routine maintenance | 100 |
| Pinkhouse | Clearwater | Routine maintenance | 100 |
| Ahsahka Pole Yard | Clearwater | Routine maintenance | 500 |
| Ahsahka North Fork | Clearwater | Routine maintenance | 200 |
| Zan's | Clearwater | Routine maintenance | 100 |

| Site | County | Activity | Estimated Costs |
|---------------------------|------------|---------------------|-----------------|
| Greer | Clearwater | Routine maintenance | 100 |
| Long Camp MP61 | Lewis | Routine maintenance | 100 |
| Kamiah | Lewis | Routine maintenance | 100 |
| Button Beach | Idaho | Routine maintenance | 100 |
| Upper Kooskia | Idaho | Routine maintenance | 500 |
| SALMON RIVER | | | |
| Twin Bridges Idaho | | Routine maintenance | \$ 500 |
| Soldiers Meadow Reservoir | Nez Perce | Routine maintenance | 500 |
| Waha Lake | Nez Perce | Routine maintenance | 500 |
| Tolo Lake | Idaho | Routine maintenance | 200 |

SUMMARY OF COSTS:

| | |
|-----------------------------------|------------------------|
| Salaries and wages | \$17,400 |
| Operations | 12,500 |
| Capital improvements ¹ | <u>11,400</u> |
| Total estimated costs | <u><u>\$41,300</u></u> |

*Includes cooperative funding

**FEDERAL AID IN FISH RESTORATION
ANNUAL PROGRESS REPORT**

JOB TITLE: Motorboat Access - Region 3 ____
PROJECT NUMBER: F-77-B-8____
PROJECT LEADER: Dale VonSteen____
ASSISTANT: Dennis Hardy____
PROJECT PERIOD: July 1, 1992 to June 30, 1993

Need:

Over the past several years, the Department has acquired public access to public waters. Boating facilities have been installed and developed. Newly-acquired sites were also developed to facilitate the boating public. Routine maintenance of older sites was conducted.

Objective:

Easy and safe access to public waters for boating and fishing purposes was the leading objective followed by development, maintenance, and renovation of existing sites.

Results and Benefits:

As a result of increased efforts on repair and maintenance, the access sites are cleaner and safer for public use. The users have benefited from the additional facilities that were installed.

Approach:

Twenty-five public access areas were maintained for boating purposes in Region 3.

Location:

1. Im^provements and Renovations

All access area management and developments are being done by a Utility Craftsman and three temporary employees. This additional staff has aided in attaining the project goals.

During the project year, toilets were purchased and stockpiled for installation during the next project year.

A tree thinning project was proposed for Horsethief Reservoir and a contract was issued. However, the contractor failed to carry through and the project was canceled.

A major development plan is being formulated for Horsethief Reservoir. Public use has increased substantially the last few years and there is a definite need for improved facilities and for better control over the users.

A long term agreement with the Bureau of Land Management was signed in which they agreed to manage and develop Steck Park.

| Site | County | Improvements | Estimated Cost |
|--------------------------|------------|------------------------------------------------------------------------|-----------------------------------------------------|
| Black's Bridge | Payette | Install ramp | Not Completed |
| Cottonwood | Owyhee | Construct rock jetty 404 permit obtained, work to be completed 1993-94 | \$ 250 |
| Roberts | Washington | Install one toilet | Not Completed |
| Snake River 2 sites | Washington | Negotiate agreements | One pending agreement--one undesirable site dropped |
| Paddock Valley Reservoir | Washington | Install two toilets | Not Completed |
| Marsing City | Owyhee | Cooperative agreement Install ramp | <u>\$15,000</u> |
| | | Total Estimated Costs | <u>\$15,250</u> |

2. Handicap Improvements and Renovations

| Site | County | Improvements | Estimated Cost |
|---------------------------|--------|-----------------------------------------------|----------------|
| C. Ben Ross | Adams | Replace toilet | Not Completed |
| Loveridge Bridge | Owyhee | Install hard surface ramps, railing | Not Completed |
| Crane Falls Cove Arm | Owyhee | Installed 1 toilet fishing docks | \$14,800 |
| Cottonwood | Owyhee | Install 1 toilet, rails | 4,000 |
| Bernard Landing (Opaline) | Owyhee | Name change, install toilet, signs | 4,000 |
| Horsethief | Valley | Install 2 toilets, modify existing facilities | <u>10,000</u> |
| | | Total Estimated Costs | \$32,800 |

3. Maintenance

Routine maintenance operations were conducted on all boating access areas. Activities included, but were not limited to, painting, signing, pumping toilets, vegetation control, refuse cleanup, and maintaining roads and parking areas.

Two maintenance contracts were issued for the sites along the Snake River and around C.J. Strike Reservoir. Bids were secured through competitive bidding and the contracts were issued to the low bidder. The sites are being well maintained by the contractors.

In late May, a severe thunderstorm occurred in the Crane Falls-Cove Arm area and caused major damage to the access road to the lakes. Emergency repairs were done.

| Site | County | Activity | Estimated Cost |
|-------------------------------------------------------------------------------------------------------------------------------|--------|--------------------------------------------------------------------------------------------------------------------------------------------------|----------------|
| Indian Creek Reservoir | Ada | Signing, road maintenance, refuse cleanup, pump and clean toilets, rodent control, vegetation control and fence maintenance | \$2,200 |
| C. Ben Ross | Adams | Clean and paint toilets | 500 |
| Fort Boise WMA | Canyon | Clean and pump toilets and refuse cleanup | 400 |
| Snake River: Map Rock Trappers Flat Lava Point | Canyon | Refuse cleanup, signing | 2,500 |
| Salmon River: Shorts Bar Island Bar | Idaho | Toilet rental and refuse clean up | 500 |
| C.J. Strike WMA: Cottonwood Loveridge Bridge Jacks Creek Cove Arm (Crane Falls) Black Sands C.J. Strike Dam | Owyhee | Paint and clean toilets, refuse cleanup, road and parking lot maintenance, vegetation control, fence maintenance, signing, emergency road repair | 7,000 |

| Site | County | Activity | Estimated Cost |
|--------------------------------------------------------------------------------|------------|------------------------------------------------------------------------------------------------------------------------------------------|----------------|
| Snake River: Bernard Landing Walters Ferry Job Corps Clarks Island | Owyhee | Refuse cleanup, signing, and clean toilet | \$1,700 |
| Black's Bridge | Payette | Signing and refuse cleanup | 500 |
| Falks Bridge | Payette | Refuse cleanup | 200 |
| Little Payette Lake | Valley | Signing, refuse cleanup, and pump clean toilet | 1,000 |
| Horsethief Reservoir | Valley | Refuse cleanup, signing, road maintenance, pump and clean toilets, paint toilets, fence repair, and vegetation control | 7,300 |
| Roberts | Washington | Pump toilets, paint toilets, refuse cleanup and fence maintenance | 500 |
| Paddock Valley Reservoir | Washington | Road maintenance, paint toilets, pump toilets, and refuse cleanup | 400 |
| Steck Park | Washington | Pump toilets, refuse cleanup and electric power | 500 |

SUMMARY OF COSTS:

| | |
|----------------------|------------------|
| Salaries and wages | \$27,900 |
| Operations | 25,200 |
| Capital improvements | <u>48,050</u> |
| Total estimated cost | <u>\$101,150</u> |

**FEDERAL AID IN FISH RESTORATION
ANNUAL PROGRESS REPORT**

JOB TITLE: Motorboat Access - Region 4 _____
PROJECT NUMBER: F-77-B-8 _____
PROJECT LEADER: Dale Turnipseed _____
ASSISTANTS: Dave Musil, Terry Gregory _____
Bill Gorgen, Tony Apa _____
PROJECT PERIOD: July 1, 1992 to June 30, 1993

Need:

The Department has acquired by fee title or easement access to public waters. These areas were originally developed in the 1960s and have more recently been brought up to standards to accommodate the handicapped. These sites regularly need maintenance and protection from heavy public use and trespass livestock grazing. Noxious weeds are a constant problem in most areas. The roads to these sites do not meet the needs of today's vehicles and are in need of upgrading.

Objectives:

To provide for operation, maintenance, renovation and safer access to public waters for boating and fishing recreation and for public use of sport fish.

Results:

Public use at the boating access sites decreased significantly as a result of low water levels brought about by drought conditions. Maintenance efforts correspondingly were reduced on these sites without effecting cleanliness of the area.

Approach:

Operate and maintain 15 public motorboat access areas in Region 4.

1. Maintenance, Renovation and Operation Activities

Repairs and upkeep include cleaning toilets; controlling weeds or other unwanted vegetation; removal of refuse; pumping out toilet vaults; replacement of damaged facilities such as toilets, concrete boat ramp logs, signs, and parking barriers; painting facilities, maintaining access roads; and other repairs deemed necessary. Monitor public use.

1. Improvement and Renovations

| Site | County | Improvements | Estimated Cost |
|---------------------------------------|--------|---------------------------------|----------------|
| Anderson Ranch Reservoir Elk Creek | Elmore | Concrete Boat Ramp Construction | \$13,000` |

2. Maintenance

| Site | County | Activity | Estimated Cost |
|--------------------------|------------|-------------------------------------|----------------|
| Cedar Draw (5) | Twin Falls | | |

**FEDERAL AID IN FISH RESTORATION
ANNUAL PROGRESS REPORT**

JOB TITLE: Motorboat Access - Region 5
PROJECT NUMBER: F-77-B-8
PROJECT LEADER: Paul Wackenhut
PERIOD COVERED: July 1, 1992 to June 30, 1993

NEED:

The Department administers 38 boating access areas throughout the region. Many of these are owned all or in part by the Department. Others involve leases, easements or other use agreements with other agencies or private individuals. The Department has contractual agreements with all seven counties in the region. Through these agreements the department provides funding in exchange for maintenance and improvements at the sites. Counties are contacted each year to determine needs for docks, signs, toilets, etc. Meetings are held annually or as needed with the Region 5 Outdoor Recreational Task Force consisting of representatives of the counties.

RESULTS:

| Site | County | Improvements | Estimated Cost |
|--------------------------|-----------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------|
| Hawkins Reservoir | Bannock | Provided six (6) boat docks | |
| Bear Lake North Beach | Bear Lake | Met with county officials and attended public meetings. Committed to provide matching funds on a project to extend the ramp used during low water years. (separate account) | \$ 10,000 |
| Snake River | Bingham | Visited all sites along Snake River with members of the Bingham County Waterways Committee to observe and discuss concerns. Also attended some Committee meetings. | |
| Tilden Bridge | Bingham | Provided portable toilet Authorized and funded an engineering study for improvement of boat ramp. (separate account) | 300 |

| Site | County | Improvements | Estimated Cost |
|-------------------------------------|----------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------|
| Blackfoot Reservoir Poison Creek | Bingham | Provided funding to the County as agreed for portable toilet and handi-capped accessible toilet at Springfield Reservoir. | \$1,400 |
| Riverton | Bingham | Met with adjacent landowner at the site on two (2) occasions to address landowner concerns. | |
| Pingree | Bingham | Met with adjacent landowner to discuss concerns. We proposed a trade of the existing easement for a different access point with a new easement. The old toilet at the site was removed and the county will be re-claiming ramp blocks. | |
| Sportsmans Park | Bingham | Provided 8 docks. | |
| | Caribou | Provided funding to the County as agreed for portable toilets at various sites. | 1,800 |
| Blackfoot Reservoir | Caribou | Initiated study to identify additional low water access sites. | |
| Chesterfield Reservoir | Caribou | Initiated study to consider improvements to boat ramp. | |
| | Franklin | Provided funding to the County as agreed for portable toilets and other services. | 2,200 |
| | Franklin | Provided six (6) boat docks. | |

| Site | County | Improvements | Estimated Cost |
|---------------------------------------------|----------|-------------------------------------------------------------------------------------------------------------------------------------------------|----------------|
| Condie Reservoir | Franklin | Met with Mr. Condie and agreed upon terms for a road easement. The easement agreement has been drawn up and is pending signature by Mr. Condie. | |
| Glendale Reservoir | Franklin | Committed matching funds for upgrade of main access and provision of handicapped accessible facilities. (separate account) | \$ 13,000 |
| | Oneida | Provided funding to County as agreed for portable toilets and other services. | 700 |
| | Oneida | Provided eight (8) boat docks. | |
| Daniel's Reservoir and Deep Creek Reservoir | Oneida | Met with County officials to develop plans for additional development. | |
| Eagle Rock | Power | Provided funding for repair of access road washed out by spring runoff. | 330 |

**FEDERAL AID IN FISH RESTORATION
ANNUAL REPORT**

JOB TITLE: Motorboat Access - Region 6
PROJECT NUMBER: F-77-B-8
PROJECT LEADER: Frank DeShon
ASSISTANT: James Moore
PROJECT PERIOD: July 1, 1992 to June 30, 1993

Need:

Several motor boat access areas in Region 6 need major improvements to be safe, sanitary, and usable areas. Improvements needed include installation or replacement of sanitary facilities, reconstruction of access roads and parking areas, boat ramp replacement, and fencing.

Objective:

The objective is to provide clean, safe, and usable motor boat access areas for approximately 17,000 annual user visits.

Results and benefits:

1. Improvements and Renovation

| Site | County | Improvements | Estimated Cost |
|----------------|-----------|--------------------------------------------------|----------------|
| Last Chance | Fremont | Build boat ramp | \$5,000 |
| Mud Lake North | Jefferson | Install handicap fishing pier | 3,000 |
| Mud Lake South | Jefferson | Rebuild boat ramp | 5,000 |
| Beaver Dick | Madison | Continue handicap development, replace boat ramp | 5,000 |
| Twin Bridges | Madison | Extend boat ramp, install toilet | 5,000 |
| Ranier | Teton | Install toilet, replace cattle guard | 5,500 |

2. Maintenance

Routine maintenance was performed on 18 motor boat access areas in region 6. This included minor fence repair, litter pickup and pumping of toilets as needed.

| Site | County | Activity | Estimated Cost |
|----------------|-------------|---------------------|----------------|
| Byington | Bonneville | Routine maintenance | \$1,500 |
| Conant Valley | Bonneville | Routine maintenance | 500 |
| Osgood | Bonneville | Routine maintenance | 500 |

ANNUAL PROGRESS REPORT**

PROJECT TITLE: Motorboat Access - Region 7
PROJECT NUMBER: F-77-B-8
PROJECT LEADER: Robin Holmquist
PROJECT PERIOD: July 1, 1992 to June 30, 1993

Need:

Several motor boat ramps in Region 7 are difficult to use and need to be replaced. Several areas also need road and parking area improvements as well as improved sanitary facilities.

Objective:

The objective is to provide clean, safe and usable boat ramps for approximately 5,000 annual user visits.

1. Improvements and Renovations

| Site | County | Improvements | Estimated Cost |
|-------------|--------|------------------------------------------------------------------------------------------------|----------------|
| Bolander | Lemhi | Replaced the bridge with a culvert and the boat ramp was cleared of vegetation. | \$ 1,500 |
| Red Rock | Lemhi | The legal description and a land ownership question were cleared prior to further development. | 1,000 |
| Salmon City | Lemhi | Ramp was supplied to the city and installed. | 1,000 |

2. Maintenance
